OUR PRICES While many reductions have been

iade in the manufacturing and wholesale market, and in most lines, they have not been universal. But we are following the trade conditions closely. Our prices are being revised to accord with whatever frade readjustments occur. We, not you, meur the penalty for any purchases on the recent high

We feel obligated to safeguard our custemers, as we are satisfied that such a policy works ultimately to the advantage of both our customers and ourselves. For that reason we pass on to our customers the benefit of every trade reduction, whatever the loss we ncur.

The conduct of our business will continue free from any hysteria. But our direct contact with many manufacturers, eliminating middlemen, our special connection with the market, in addition to frequent rips of buyers to New York, all combine to enable us to meet cometition at all times.
